Diverse & massive participation

EurHope sparked an **unprecedented dialogue** among young citizens in the 27 member countries of the EU, ahead of the 2024 European elections.

We reached out to EU youth **in all its diversity**.

We ensured to also include voices from minority demographics in our massive offline and online outreach campaigns.

Votes: 1.500.330

Proposals: 5.069

 located in 27 EU member states

 in 22 languages

 from 15 to 35 years old

 of all genders

 with every education background

The massive consultation united
over 1.5 million voices

Based on that,
we established the...

AGENDA of HOPE

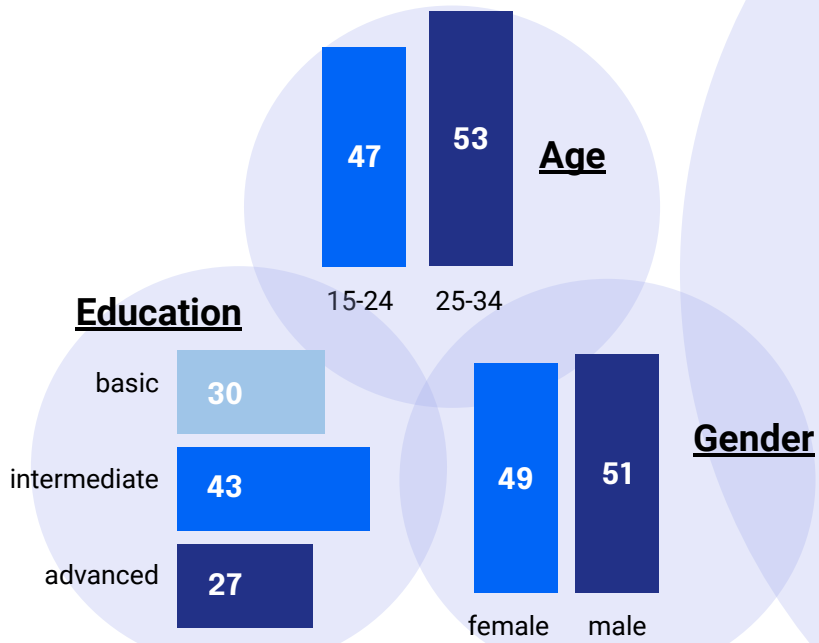

- 15 POPULAR IDEAS
- Consensus amongst young Europeans based on their votes
- Statistically representative

and also identified...

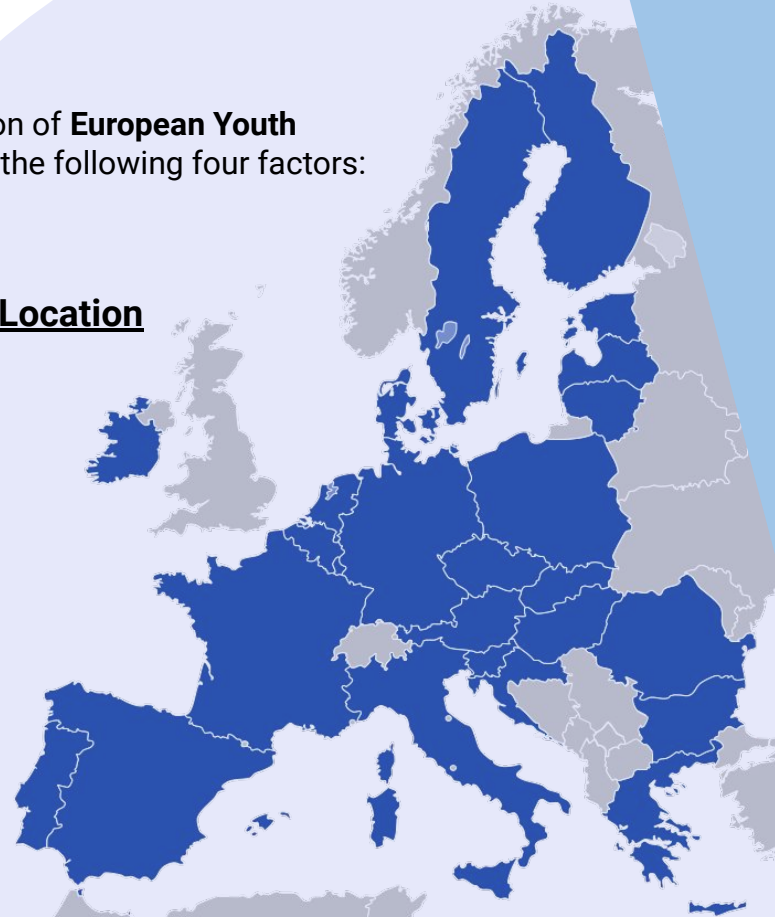

- 12 DIVISIVE IDEAS
- Based on division amongst young Europeans in light of their votes
- Statistically representative

The **AGENDA OF HOPE** speaks for **all EU youth**

We secured **representative** results by mirroring the composition of **European Youth** (age 15-34), based on **Eurostat data** (2022). This data reflects the following four factors:

How we identified the

AGENDA OF HOPE

5 069 SUBMITTED PROPOSALS

Before being published, proposals submitted by citizens had to be **validated** by the moderators of Make.org, in accordance with the law and our **moderation guidelines**.

4 313 VALIDATED PROPOSALS

We identified the **consensus zone**.
Proposals with over **60% of votes in favour**.

We also identified the **division zone**.
Proposals with over **60% of votes in favour** and over **15% of votes against**.

463 most popular proposals

have more than **65% of votes in favour** and a significantly **high number of votes**.

397 most divisive proposals

have an average of **45% of votes in favour**, of **40% of votes against** and significantly **high number of votes**.

Qualitative clustering established **15 popular ideas**, the **AGENDA OF HOPE**.

Qualitative clustering established **12 divisive ideas**.

AGENDA *of* HOPE

for the future

Democracy & EU institutions

- 1 Reinforcing transparency and ethical conduct of public officials
- 2 Strengthening the efficiency of European justice systems
- 3 Increasing citizen participation and their understanding of the EU

Climate change and environment

- 4 Developing more efficient and accessible rail transport
- 5 Strengthening sustainable European industries and recycling
- 6 Promoting innovation in European agriculture and sustainable farming
- 7 Increasing the protection of biodiversity within the EU and beyond
- 8 Accelerating the energy transition and the reduction of carbon emissions

Economy, social justice and employment

- 9 Promoting easier access to employment, especially for the youth
- 10 Encouraging "Made in Europe"

EU in the world

- 11 Strengthening a sovereign EU voice in diplomacy

Health and education

- 12 Enhancing measures at the European level to improve and coordinate education
- 13 Strengthening EU action on inclusive and harmonised healthcare systems

Human rights and migration

- 14 Creating a more efficient European legal framework for immigration

Research and innovation

- 15 Supporting research, innovation and technology in Europe

Divisive ideas

Democracy & EU institutions

Moving towards a federal Europe

Favouring a Europe where national governments hold more power and the EU has less control

Strengthening the powers and competences of the EU

Climate change and environment

Empowering the EU to lead the ecological transition

Limiting air transportation

Economy, social justice and employment

Introducing a tax system that better corrects inequalities

Building a more social Europe

EU in the world

Establishing a European army

Increasing the EU's support to Ukraine

Human rights and migration

Substantially reforming the EU's global migration policy

Guaranteeing LGBTQIA+ and reproductive rights at EU level

Promoting Christian and religious values

Mid March

Launch of Agenda of Hope in 22 languages

Mid April

Publication of parties' responses in 22 languages

8 May

Final event in the EESC

Ongoing and increasing

JEF campaigns in 27 Member States
